The superintendent or clerk must check the entries shown in the entry books in each class with the exhibits present, and so mark the entry books that they will show which animals were passed on by the judges.

The judges are requested to give special attention to actual merit and in order to avoid mistakes it is their duty to inquire as to time of shearing, manner of fitting, ages of lambs, etc. Misrepresentation in any form on part of exhibitor or agents forfeits all premiums awarded.

Do not make entries in champion classes.

In all Sheep classes an exhibitor's flock shall consist of one ram 1 year old or over; ewe 2 years old or over; ewe 1 year old and under 2, and ewe under 1 year old.

A breeder's young flock shall consist of one yearling ram; two yearling ewes and two ewe lambs, owned and bred by exhibitor.

A pen shall consist of four lambs bred by exhibitor, weaned within the year shown.

A pen of two yearling rams and two yearling ewes must be the get of one sire, bred and owned by exhibitor.

Aged rams and ewes must be two years old or over, yearlings one year old and under two and lambs, under one year.

The judge and the person acting as clerk to the judge must take special pains after making an award to see that same is properly entered in the award book; it is absolutely necessary that the name of animal, register number, date of birth and ear tag number be given for all animals awarded prizes.

In case a substitute animal is shown or in case this data was not given and recorded in judge's book at time entries were made, it must be supplied by the clerk. Record of awards must be complete in every detail or premiums will not be paid.

Besides the regular classification the Management offers in this department to go 50-50 with any record association up to \$250, when the offering is made in open competition. This does not apply to offerings for special classes.
